

AI Academy

Evergreen's AI Academy is a 10-month program that takes districts through an end-to-end AI implementation process, readying the district for the Age of AI.

- **Individuals:** Whether a Technology Integration Specialist, an Instructional Coach, a CTO/Ass't Sup, or a Teacher, this program can help you get the support you need to consider the breadth of factors to consider when implementing AI properly within a school/district context
- **Task Forces/Teams:** Groups of district representatives can benefit from guided, timebound "assignments" from Evergreen that catalyze action and create accountability. Benefiting from peer task forces and from Evergreen's expertise, each team can benefit from partnering with a guide who can accelerate the journey to AI implementation.

Evergreen's AI Academy is a yearlong program that follows a Plan-Do-Study-Act (PDSA) improvement science framework. Participants will work in a hybrid fashion that incorporates both theory and practice, with recommended activities during the "gap" between sessions.

All sessions will be held over Zoom at 9:00am-12:00pm Pacific/12:00pm-3:00pm Eastern

<p>July 23 & September 17</p>	<p>AI Foundations</p>	<p>Understanding AI and Its Potential in Education</p> <p>AI Legalities & Ethics (What's "right?")</p>	<ul style="list-style-type: none"> • Exploring AI applications and tools for teaching and learning • Identifying opportunities for AI integration and anticipating challenges • Understanding legal obligations and policy implications
<p>October 15 & November 19</p>	<p>AI Policy <i>PDSA Cycle 1</i></p>	<p>Building Your AI Policy</p> <p>Developing Systems & Process to Safeguard Kids</p>	<ul style="list-style-type: none"> • Forming an AI task force • Conducting a needs assessment and reviewing existing policies • Developing a draft AI policy framework • Implementing the AI policy
<p>December 17 & February 18</p>	<p>Staff Development <i>PDSA Cycle 2</i></p>	<p>Building your staff development plan</p> <p>Piloting & Refining Your PD Plan</p>	<ul style="list-style-type: none"> • Assessing teacher readiness and PD needs • Designing an AI PD program for teachers • Implementing the AI PD program in pilot schools • Collecting feedback and data on teacher knowledge and confidence
<p>March 18 & April 15</p>	<p>Fostering AI Literacy in Students <i>PDSA Cycle 3</i></p>	<p>Identifying skills that support long term success</p> <p>Testing sample lessons with pilot classrooms</p>	<ul style="list-style-type: none"> • Identifying age-appropriate AI literacy standards and objectives • Designing and curating AI literacy lessons and assessments • Piloting AI literacy in select classrooms • Collecting feedback and refining
<p>May 20</p>	<p>Program Wrap-up</p>	<p>2025-2026 Implementation Plan</p>	<p> Ready for 2025-26</p>

Pricing: 1-3 Participants: \$3,500/person || 4-6 Participants: \$12,000/team
